

2022-23 West Colchester United Arena Guidelines

- **PLAYERS & COACHES ENTRANCE:** Players & Coaches Will Use middle side door of the building (between the dressing rooms). This worked well for us last year and keeps congestion away from front entrance. *Do not arrive more than 30 - 40 minutes prior to ice time this gives us time to clean dressing rooms from previous ice time. (We only have 4 dressing rooms at our disposal).*
- **PLAYERS & COACHES EXIT:** end doors or middle side doors.
- **SPECTATOR ENTRANCE AND EXIT:** front door of building.
- **SPECTATORS WILL NOT BE ALLOWED IN DRESSING ROOM AREA. ONLY FOR U11 & YOUNGER.**
- **PARENTS & GUARDIANS OF PLAYERS U11 & YOUNGER:** can enter through middle side door to assist the player, **WE WOULD PREFER JUST ONE PARENT.**
- It is recommended to use the hand sanitizer that is provided throughout the facility often.
- **CANTEEN:** Will be open Friday, Saturday & Sunday or for any special function. **Canteen cannot be used as a warm room, seating is for customers of canteen.**
- **THE WARM ROOM IS CLOSED FOR TIME BEING.**
